

World Mental Health Day

2022

**Many people living
with mental ill health
are denied or excluded
from having a job and
getting an education**

European Region

World Mental Health Day

#NoWalls

Let's end mental health-
related discrimination
and stigmatization

World Mental Health Day
2022

**Involving people living
with mental health
conditions in decision
making reduces stigma
and increases their well-
being**

World Mental Health Day
2022

Normalize talking about mental health

Listen to people living with mental health conditions

World Health
Organization

European Region

World Mental Health Day
2022

**Many people suffer in
silence** rather than risk
being ostracized for
seeking help for their
mental health challenges

World Mental Health Day

2022

Negative views and discriminatory behaviors can come from anyone – family, friends, employers, including health care professionals
